

BARGAIN BAZAAR is the most exciting new shopping area in the Valley. Andy Gonzalez, owner, and Ted Gonzalez, manager, invite you to shop Friday through Sunday 10am to 6pm. Bargain Bazaar is located at 4400 N. 23rd, McAllen.

Bargain Bazaar-A Shopping Adventure

BARGAIN BAZAAR, the Valley's newest and finest weekend shopping adventure is open and ready to offer fantastic buys for less! Bargain Bazaar, 4400 N. 23rd, McAllen is open Friday-Saturday and Sunday, 10am to 6pm. Admission is free; parking is free and all 30,000 sq. ft. is air-conditioned.

Right now, after being open three full weeks, over 60 shops are offering their wares. There's even a deli-cafe, featuring hot dogs, nachos, sandwiches, desserts, popcorn and soft drinks.

When owner Andy Gon-

zalez started Bargain Bazaar, he expected to have many antique and hobby-type booths and a few retail shops. But, because of the Valley's poor economy, many retail shops have opened there to help ease the high cost of rents they pay elsewhere. Some of the others just wanted to start their own business, and this was the least expensive way to do it.

Bargain Bazaar is, in a way, the "poor man's mall." All types of shops have opened, including childrens', jewelry, health food, clothing crafts and much more.

Eventually, a meat market will be opening

Andy's brother, Ted Gonzalez, is manager of Bargain Bazaar. Both Andy and Ted expect to have around 145 merchants in the building when they are at full capacity. They feel the Bargain Bazaar is the perfect opportunity for those businesses wanting to beat the Valley's current economic situation.

Bargain Bazaar is for everyone. Andy says he hopes the local residents, especially, will make use of it.

This Saturday and Sunday, there will be an Indoor Flea Market. Then, during the weekend of February 4th, there will be a ribbon cutting, free donuts and coffee, door prizes and live music.

If you want to find some fantastic items at reasonable prices, visit Bargain Bazaar, 4400 N. 23rd, McAllen from 10am to 6pm Friday through Sunday.

Come in and enjoy the friendly, relaxed atmosphere--you never know what you may find!
